Melinda Tidwell

Utah, 1959

Melinda Tidwell is a collage artist with an interest in discarded books. Her love of books and vintage materials lured her from the world of graphic design and into her current work in book collage.

Tidwell's collages are shown in yearly gallery exhibitions, international art fairs, and are included in numerous private and corporate collections in the United States. Her work is currently represented by galleries in San Francisco, Seattle, Sun Valley, and Santa Fe.

Melinda also teaches from her studio in Santa Fe, New Mexico, and at other venues around the country.
